## SUMMARY

I am a 20 year old Full Stack Developer, with great teamwork skills, great adaptability and predisposition. I am looking for my first opportunity in tech, after finishing a 700+ hours Full Stack Developer bootcamp at Henry. Now I am ready to take challenges and grow professionally.

I really enjoy coding and working with teammates. I find my strengths at communicating, motivating, and counting on my team to achieve a common goal. I am also a fast learner and an autodidact.
